

Papai My Dad
By Sophia Maltarollo

Oooh (x2)

I love you so much Papai
You make all of my spirits fly!
You're super-doooper fun, remember that!

You always make me hip hooray,
Even on the hardest days,
Although I can sometimes be a brat!

You were one of the first things I glanced,
And its so fun to sing and dance, with you,
And you took me under your wing,
And that's the reason why I sing...

I love you! You always make me happy!
Even when I'm bratty! You know!
I love you! You are my favourite Papai!
Although you're my only Papai, but still, I love with all of my heart,
I love you with all of my heart!

We are one big family,
Saskia, Bella, Mum, you and me!
And I hope it will always be that way!

The city is where we lived,
Now we live in the lovely Bayside!
And we're near a warm and sandy bay!

You were one of the first things I glanced,
And its so fun to sing and dance, with you,
And you took me under your wing,
And that's the reason why I sing...

I love you! You always make me happy!
Even when I'm bratty! You know!
I love you! You are my favourite Papai!
Although you're my only Papai, but still, I love with all of my heart,
I love you with all of my heart!

All those years of
Laughing, learning,
Leaning on each other's arms

And all those fun times,
Nearing future,
We are S&P
Papai and me!

I love you! You always make me happy!
Even when I'm bratty! You know!
I love you! You are my favourite Papai!
Although you're my only Papai, but still, I love with all of my heart,
I love you with all of my heart!
