

The Cycle of Life
By Lola Gardiner & Georgia Pearson
ACMF National Song Competition 2016

Vs1

Big brown yellow red orange leaves
Raking them scraping them into a pile
It's so cold it is stopping the heat
The frost is so cold it's freezing my feet

Chorus

Summer autumn winter spring
All the seasons makes a year
Spinning around the sun, makes the seasons happen
That's how it runs the cycle of life

Vs2

It's raining it's pouring the old man is snoring
It's hailing, it's windy, don't want to get up
The days are shorter, I go to bed earlier
But Before I go to bed I have some Hot chocolate.

CHORUS

Vs3

Nice smelling flowers look like a rainbow
Running in a field of daisies and Poppy's
The Sun starts to shine it feels so divine
The baby birds go cheep cheep cheep

CHORUS

Vs4

The hot bright steaming sun burning my eyes
I canon ball into the pool, it feels nice
I'm really hot 'n sweaty I jump into an esky
Sitting in the ice, this is the life

CHORUS
