Driving down in my vroom vroom car
Turn a corner n hit a car
So I turn around and I go vroom vroom vroom vroom

Drivin down a hill an we do a flip
Then i br-br-br brake my hip
So I turn around I go vroom vroom vroom vroom

Drivin up and I see a duck
It goes quack and I give it a smack
So I turn around and I go vroom vroom vroom vroom

In a supermarket and I say "hello"
Then I s-s-s see Joe Blo
