

Who I Am
By Kaitlyn Thomas
ACMF National Song Competition 2016

There's a mountain before
You feel you can't climb
The distance is frightening
But you can only try
Feel the strength inside
And close your eyes
It's me... just me.

Even though I am the girl next door
I'm stronger than I ever was before
And I, I, I, I, I Can Fly

Chorus

It's who I am
Stronger than the last time
Tougher than I thought I'd be
It's who I am
Laughing, smiling making life long dreams
I believe in the impossible
I believe in me
And I, I, I, I, I Can Fly
It's Who I Am

When the world brings you down
And the hurtful words they break your heart
Don't turn around, walk away and know who you are

Chorus

It's Who I Am, Who I Am, Who I Am
It's Who I am
Who I Am, Who I Am, Who I Am
It's Who I Am
Even though I am the girl next door
I'm stronger than I ever was before
And I, I, I, I, I Can Fly
It's Who I Am

It's Who I Am
