

**Future Me**  
**By Angus Brill Reed**  
**ACMF National Songwriting Competition 2017**

I didn't know what to expect  
So I closed my eyes  
Took a breath  
And stepped

I'm just a boy who's  
working on my plan  
Trying to find my way  
To be a man

This music in my body  
I gotta let it out  
I'm gonna tell my story  
I've travelled ... travelled past my doubt

Bursting to break free  
Fighting hard to make it  
I'm gonna find my future me

Opportunity  
Now it's time to take it  
I'm gonna find my future me

I set high standards  
And good enough ain't right  
I didn't handle failure  
And cried at night

One day I'll look back  
To this uncertainty  
To when I still was searching  
For the key

Pre-chorus

Chorus

Post Chorus

Fuuuuuture me - oh oh oh  
I don't want to waste it  
I'm gonna find my future me

Fuuuuuture me - oh oh oh  
Yes It's time to take it  
I'm gonna find my future me

Verse to finish

I still don't know what to expect  
But I'll close my eyes  
Take a breath ....  
And step...
