

Happy

By Abby L Strachan

ACMF National Songwriting Competition 2017

Walking, daydreaming
Happy, I'm feeling

There is something in this world
Makes me want to dance and twirl
Sing along
Sing along
Sing along.....

Sunshine, blue sky
Watching the birds fly

There is something in this world
Makes me proud to be a girl
Sing along
Sing along
Sing along.....

Walking, daydreaming
Happy, I'm feeling.
