By Jayden Fulwood

I have a dog and I call him Puppy.
I have a cat and I call him Kitty.
My dog is gold and bright as sunshine.
My cat is black and as dark as night.
I have a dog and I call him Puppy.
I have a cat and I call him Kitty.
Together they play and have lots of fur.
Sometimes they end up with lots of burs.

Chorus:

I love my dog, I love my cat.
They are best friends and both love birdies.

(Repeat)

I have a dog and I call him Puppy.
I have a cat and I call him Kitty.
My dog always goes crazy over turkeys.
My cat is fat and sat on the Mac!!!!!!!!!!!!

Chorus:

I love my dog, I love my cat.
They are best friends and both love birdies.
