

'Over My Head'
by Jasmine Dale
ACMF National Songwriting Competition 2017

Have I
just become a stranger
'cause I don't know
that girl mirror

How do I get in
to these situations
Doesn't have to be
so complicated

I wanna know
am I in over my head
could it be something
tell me so I get it right

I wanna know
how have I fallen so deep
so far that I can not see
tell me so I get it right

I don't
like how I'm feeling
I keep taking
It feels like I'm stealing

How do I get in
to these situations

Doesn't have to be
so complicated

I wanna know
am I in over my head
could it be something
tell me so I get it right

I wanna know
how have I fallen so deep
so far that I can not see
tell me so I get it right

No, no nobody's perfect
we are all different
in our own way

And no no, nobody's perfect
but it will be worth it
at the end of the day

I wanna know
am I in over my head
could it be something
tell me so I get it right

I wanna know
how have I fallen so deep
so far that I can not see
show me so I get it right
