

Feelings

By Bonnie Speirs Dill

Cupcakes make me happy

So do rainbows to.

Friends make me laugh.

Sunshine makes me smile.

Family makes me dance.

Unicorns help me imagine.

When you think about it makes you feel good.

Doesn't it? yeah.

Doesn't it? yeah, yeah.

Doesn't it?

Rain makes me sad.

Lightning makes me understand.

Thunder makes me loud.

Grey makes me gloomy and blue does too.

Grey clouds make me miserable but I don't care.

How I feel when I feel down.

I just get back up again and have a great time.

Doesn't it? yeah.

Doesn't it? yeah, yeah.

Lions make me scared.

When I get stage fright, I feel nervous.

The dark makes me so frightened Ah.

New people make me shy.

When you think about it, it makes you feel good.

Doesn't it? yeah.

Doesn't it? yeah, yeah.
