

Take Me In Your Arms - By Jayda Holman, 2018

Verse 1 I'm thinking about you now there's no denying
 When I'm around you I feel like I'm flying
 Oh, take me in your arms
 Hold me close to the bell goes
 Then I know you'll have to go
 Oh, oh take me in your arms

Chorus 'Cause I, I am feeling something inside

Verse 2 Then at lunch we can go for a walk
 Hopefully get away from all the talk
 Oh, take me in your arms
 We can go sit by the apple trees
 Darling you are all I need
 Oh, oh take me in your arms

Chorus 'Cause I, I am feeling something inside

Instrumental

Verse 3 You make me smile with what's to come
 Our two hearts can be as one
 Oh, take me in your arms
 We can return to those apple trees
 Sit and watch the honey bees
 Oh, oh take me in your arms

Chorus x 2 'Cause I, I am feeling something inside
