

Where the River Leads

-Lauren Pettitt

Verse One

I like to jump across the pebbles
of the steam

I like to climb the trees, lay there
and dream

I like to listen to the birds as they
fly by

Listen to the water as its running
by my side

It doesn't matter where I go or
what I do

I know I'll never be a hero like you

The nature's pulling me
there's no other place I'd rather be
But here

Chorus

'Cause I run
Where the river leads
'Cause I stay away
From where the city bleeds

Verse Two

You're chasing after me
But you're making a mistake
You're following the water
But that's not all it takes
You need a heart
You need a soul
You need good intentions
You need more than just one way
To show your affections

You're planning ways to gain
You use me to dull the pain

I'm hoping if I'll stay away
Some day
You'll realise that-

Chorus

I run where the river leads
'Cause I'll stay away
From where the city bleeds

Bridge

No I'll run with the river x2

Chorus

'Cause I'll run where the river
leads
No I'll stay away
From where the city bleeds

I'll run where the river leads
