

Jokes

Verse 1

Why do you try so hard, with acting so dumb?
Is it just to fit in, with those cool kids.
You tell me to act, when I'm feeling so numb
And when I say that I'm fine, I become the weird kid.

Pre-chorus

What's the theory behind all those jokes,
You say it's all alright if they don't know it's them.
The whispers, pointing, laughs from ear to ear.
Will your face stay the same,
Once you hear your name

Chorus

Why do people's smiles come from others sadness?
Don't you hear the ones who cry from all this madness?
How do people's smiles come from others sadness?
We're living our lives, like we're fine in this world of madness.

Verse 2/ rap

Increase in level acting stupid is cool,
But we all know that action makes you a fool.
Words are spit, they spread around, they're used as a tool.
Cause they don't care about the people, they have no rules.

I'm so afraid to die.
I feel so empty inside.
I'm lost inside my mind.
Don't know what to feel anymore.

Pre-chorus

What's the theory behind all those jokes,
You say it's all alright if they don't know it's them.
The whispers, pointing, laughs from ear to ear.
Will your face stay the same,
Once you hear your name.

Chorus

Why do people's smiles come from others sadness?
Don't you hear the ones who cry from all this madness?
How do people's smiles come from others sadness?
We're living our lives, like we're fine in this world of madness. X2
