

*There was fish named Angel  
And she wanted to sing  
But she couldn't  
Because she was in a new world*

Come on Fishy  
Show yourself to the world  
Come on Fishy  
Show yourself to the world

*When other fishies came her way  
She didn't have a thing to say  
She just swam the other way  
And was silent...*

Come on Fishy  
Show yourself to the world  
Come on Fishy  
Show yourself to the world

*There was a fish named Angel  
When nobody else was around  
She sang her beautiful song  
Suddenly there was a crowd*

Come on Angel  
Show yourself to the world  
Come on Angel  
Show yourself to the world
