

## I am Me – By Miraya

Everything I do  
Everything I learn  
Everything for me  
Is always Fun.

The sky is Blue  
So is the Sea  
Joining them a Rainbow  
That's all I see

Everything I do  
Everything I learn  
Everything for me  
Is always Fun.

In Autumn, red, yellow, orange  
Leaves fall from the tree  
I see the sunshine  
Shines bright like me

Everything I do  
Everything I learn  
Everything for me  
Is always Fun.

Some roads go Up  
Some roads go down  
They all take me  
To the place I wanna be

Everything I do  
Everything I learn  
Everything for me  
Is always Fun  
Is always Fun  
Is always Fun
