

# I don't need this Coronavirus

---

You stay at home,  
The fun's got to stop  
No toilet paper  
Down at the shop  
Kids are driving mum mad  
The schools are all closed  
I'm getting so bored  
Just staying at home

Chorus  
I don't need his corona virus  
I want to be freed from corona virus

The borders are closed  
The planes on the ground  
The restaurants are shut  
No more eating out

Chorus  
I don't need this corona virus  
I want to be freed from corona virus

Bridge 3 x  
Step out of the house  
You get a fine  
Flogged with bamboo  
Or maybe you'll die.

Chorus 3x  
I don't need this corona virus  
I want to be freed from corona virus
