

Song Title - Imagine Only Love ☐

Lyrics and Music written and performed by Noah Robertson 11yrs old – Whitsundays, QLD

Verse 1

Looking for answers and Searching for signs,
Of a simpler life, And a kinder time,
I think about hope and possibility
Livin' our lives a little more faithfully
(A little more faithfully' faithfully yeah)

Pre chorus

Throw your fears to the wind
Let em' be, let em' go, let em' fly
Close your eyes with me....

Chorus

Imagine only love, As far you can see,
Imagine only love,
That's all there needs to be,
It'll set us free,
You and me,
Imagine only love ☐

Verse 2

We're altogether on this wild, wild ride
Tryin' to hold on tight, swim against the tide,
Distanced by oceans, separated by lines,
We gotta spark a light, we gotta be more kind.
(Be a little more kind' yeah)

Close your eyes with me.....

Chorus

Imagine only love, As far you can see,
Imagine only love,
That's all there needs to be,
It'll set us free,
You and me,
Imagine only love ☐

Solo ☐☐☐☐☐☐☐

Pre chorus

Throw your fears to the wind
