

SUNSHINE

LUCY HALLAM YEAR 6

I don't know why things all change,

Every time the wind blows

I don't know, I don't know,

What the future holds for me.

I don't know why things move on.

Why don't they just stay the same?

I don't know, I don't know,

Where the shifting sands will go.

Things will get much better

All I need is something

Take away the sadness

Take away this madness!

CHORUS

I need a little sunshine

I need a little fun time

It will take me away

Far away, today.
